RE: **Barrick Mercur Mine Reclamation Project M/45/017**
2015 Annual Permit Fee and 2014 Annual Report of Mining Operation (MR-AR-LMO)

DIV. OF OIL, GAS & MINING

Dear Ms. White:

Attached is a check in the amount of \$1,000 to cover the fee for the reclamation permit referenced above. Also attached is the 2014 Annual Report of Mining Operations (MR-AR-LMO). Based on the revised language in the report, I have modified the acreage to reflect the total that remains to be released from financial assurance at the site (407.3 acres). This is based on the May 10, 2005 surety adjustment. An attachment to the report describes the breakdown of acreage that comprises the 407.3 acres.

Please do not hesitate to contact me at (801) 990-3892 if you have any questions or require further information.

Sincerely,

A handwritten signature in blue ink, appearing to read "Russell H. Jones", is written over a light blue horizontal line.
